

Extension of last date for submission of resolution plans

The Resolution Professional (RP) has received requests from the multiple PRAs seeking extension of the time for submission of resolution plans.

Considering the hardships faced by the PRA's due to national and bank holidays, the RP in consultation with the CoC members extended the last date for submission of resolution plans by PRAs by 7 days i.e upto 6th February 2024, Tuesday till 6.00pm.

Please note that in view of strict timelines, no further extension will be granted to PRAs. Therefore PRAs are requested to plan their activities accordingly.
